# Examination Light

---

Halogen Examination Light for models 980, 710, 7000, 6200, and 5200

Mounts on virtually any Reliance chair for illumination during exams

## Application

---

The Reliance chair mounted examination lamp can be attached to all Reliance Model 980, 710, 7000, 6200, and 5200 chairs.

When specified at the time of chair order, the examination light comes directly wired to Reliance chair models 980, 710, 7000, 6200, and 5200. The light on/off switch is located on the head of the examination light.
